Alvin,
I'm so super glad that we got to be friends (I mean I am) this year. We seem to have so much in common, math, our knees, and our being a avid Dodger fan! I really like you since you always have a smile and that always makes my day.
Never lose your great personality cuz it makes you so lovable.

Friends,
Sara

My Dearest Alvin,
You have got to be the dearest, sweetest guy & friend. I'm really glad that I met you & I hope our friendship grows over the years. You always make me smile, even when I'm in a bad mood. You are awesome! (I mean totally awesome) Keep experimenting & you'll get back to football season. Don't ever change your personality. Your the greatest guy I've ever met. Hope you have a great summer & graduate. Can't wait to return to school. God bless you.
Love ya lots,
Marilyn

Dear Alvin^or (Al)

To a great Dodger fan, and great guy who is always happy and always in a good mood and nice to everyone. Hope you have a great year and your Senior year too. I get a Senior picture of you, remember x to give me one next year. Let's hope the Dodger's win the World Serious this year, wouldn't that be great. I hope we can always be friends, and I hope you can play football soon but for sure baseball. Thanx for being great and so extra friendly to everyone and me. God bless you and hope the best ever happens to you cause you deserve it.

Love Ya
Chris Groot

P.S. Remember the Dodger are #1

Alvin,
hi ya, hey its pretty hard to find space in your annual. hey well last year was kick and this year will be better. I want to say thanx for helping me get rid of a geek (S.K.) I bet all the girls tell you what a great guy you are so I wont say it cuz I dont want your head to get any bigger. Too bad you couldn't get #34 this year cuz that number really rules !! Isn't mass media just great, hope we have alot of good times in there well see ya later

Homecoming

Powder Puff

This year the announcing of the princesses was done a little differently. They were announced at the Ontario game, the Friday before Powder Puff. But that didn't stop the game from being a great success. Along with the teams and coaches, were the scratching of faces and the kicking and pushing of opposite teammates. Many people thought the underclassmen would win because they had more strength. BUT the Seniors showed them who had the power. With a score of 12-0, the class of '81' is now the only undefeated class Valley has had since Powder Puff started in 1969.

Homecoming 1980

November 14, 1980 was quite an exciting night for Linda, Carol, Trish, Bonnie and Cyndie: it was the night Valley held its Homecoming.

This year's theme was "The Wonderful World of Disney" with people dressing up in Mickey and Minnie costumes. To help emphasize the theme each class spent long nights working on their floats. Winning the float competition were the Juniors with "Winnie the Pooh".

As the crowd grew tense with excitement, the envelope was opened. Miss Linda Prins, escorted by Pete Horjus, was announced 1980 Homecoming Queen.

To finish the night off, fireworks were shot off in honor of all the special events that night including a victory over Western Christian 27-6.

Dear Alvin,
Howdy dude!
It's been a while!
I really miss ya!
Come & talk to me some-
time, at the football games or
wherever! How's school going without
us GREAT Seniors there? Also you
miss us! I hope so!
Alvin make
these last
two years your
best, then
Valley will
be
Really Special to you like they
use to me! Say Alvin, you
better be careful and not
get in Kangaroo court this
year, you don't have me to
protect you! Say Alvin~give
Mary a Piture of you to give
to me okay!? Don't you feel
Priveledge to have my little
Sister with you in School~now
when you look at her you can
think of me~ but alvin I'm
depending on you to take care of
her & keep her out of trouble.

Your on your own now, you dont have me to keep you out of trouble, So now you old enough to take care of my little Sister~ do you feel a lot of pressure? Alvin good luck in your future & God bless you always & don't ever forget me cuz I will never forget you~ keep in touch with me~

-Trevor Mary!

Love ya always!

Senior Play

This year the class of 1981 decided to be different. They put on two plays in the same night under the direction of Mr. Cole and student directors, Linda Offringa and Margaret Stone. "In the Suds" and "The Imaginary Invalid" were a big success. There was a lot of late night practices and hard work in preparing for the play but there were also many laughs both during practices and in the final performances.

Senior Mothers' Tea

A mother is a very special person. Often times they don't get the recognition they deserve. That's why the Sophomore class puts on a tea for the Senior Mothers. It's just a way to say thank-you. Miss Tracie Baltzer was the Mistress of Ceremonies and the theme chosen was "Treasured Memories." The entertainment featured a skit by a few members of the Sophomore Class. Shellie Mabry sang two songs and Eddie Keller played on the french horn. Following the entertainment was the announcement of the Senior Poll awards.

Junior-Senior Banquet

" Memories of Dixieland" was the theme the Juniors used for the Jr.-Sr. Banquet this year. Everyone dressed for the occasion in off the shoulder, hooped dresses and tuxedos. M.C.'s for the evening were Jeff Rabideaux and Susie Gort. The program began with the Dixieland Band which brought back the atmosphere of the Old South. A skit was given by the Sophomores called "You're a Good Man Charlie Brown". A slide show was also presented of the "Best of Times". To end the evening, awards which provided many laughs, were given to the Seniors.

Senior Trip

It all began when the seniors had to drag themselves out of bed at 4:30 in the morning to make it to school by 5:20 to board the buses. With half of them going to Ontario Airport and the other half going to Los Angeles Airport, it was an excited bunch that boarded the PSA flights to San Francisco. Arriving within minutes of each other at San Francisco airport, everyone piled on to buses for a tour around the city. After the tour, everyone got to go on their own. Some of them went to Fisherman's Wharf, while others went to Pier 47 and still others took cable cars and toured the city. In the end, it was a tired bunch of seniors who came back to Valley Christian full of memories from a wonderful day.

Senior Chapel

This year's Senior Chapel was also the last chapel of the year. While everyone walked in, Rhonda Rienstra, on the piano, played the Senior class song, "Shepherd Me, Lord". Then to start off the chapel, a poem was read with many to follow. All the speakers had the same thought in mind, "You're not in high school forever, so have fun while it lasts". And to end it just right, the Seniors led the underclassmen in the Alma Mater.

Graduation

The big night had finally come for the Seniors. Junior escorts, Barb Overgaauw and Perry Krosschell, led the Seniors into the church with the music of "Pomp and Circumstance." The Accappella Choir sang the Senior class song, "Shepherd Me, Lord". Rhonda Rienstra, Valedictorian, addressed the assembled group. Speaker for the evening, Rev. Bernard Pekelder, read a letter which he had written to the Senior class. After the graduates received their diplomas, Jeanine Brands presented the class memorial. The graduates then filed out of the church and were congratulated by friends and relatives.

ACTIVITIES

Harvest Festival

The Harvest Festival celebrated it's twenty-first anniversary this year on October 10, 1980. It all started at 3:00 p.m. when the bell rang. It was a fun time for young and old. The lolly pop toss, kiddy rides, spin art and prize booth kept the youngsters entertained. The chicken and smorgasbord dinners satisfied everyone's appetite. To complete this fun filled evening, Valley defeated Brethern with a score of 14-7. As being a tradition, the Harvest Festival was again a success. Chalk another one up for the Mothers Club.

UPPER LEFT: Finger-lickin' good! **UPPER RIGHT:** Winning goldfish is hard work. **LOWER LEFT:** Rub-a-dub-dub, three girls in a tub! **ABOVE:** The Harvest Festival is fun for all ages.

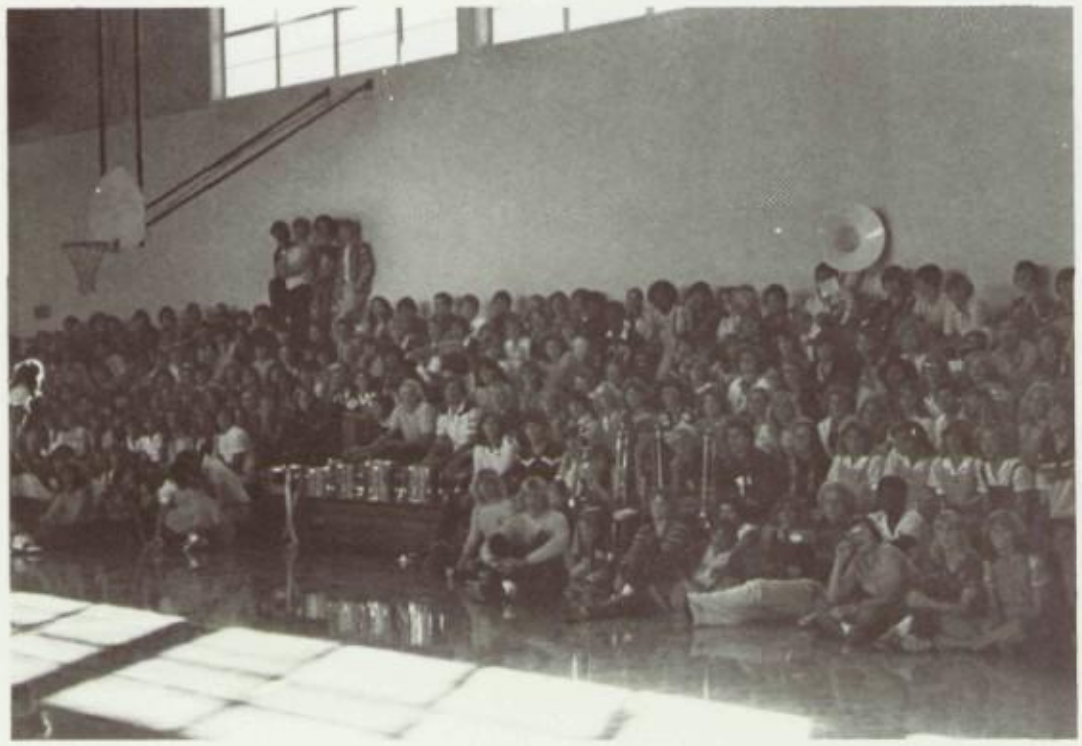
Special Assemblies

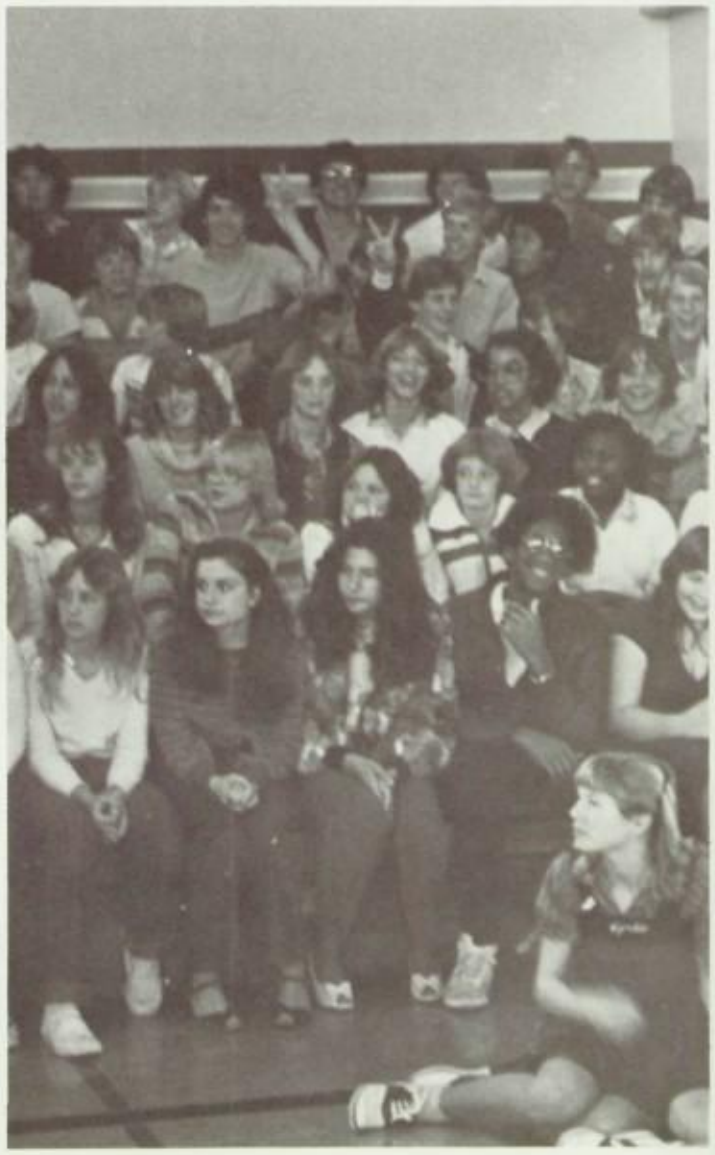
Special assemblies are events that happen once in a while but ones that everyone loves. It is a break in the regular school day where you can relax, get your mind off school work and just sit back and enjoy. Whether it's a whole choir, like the Central College Choir and the Phoenix Christian High School Choir, or just a single male singer, like James Ward, or even a movie, like the Muppet Movie, they are all special events that Valley really enjoys.

TOP LEFT: Azusa Pacific College drama students gave us spiritual entertainment through pantomiming. **MIDDLE LEFT:** The professional guitarist, Mr. Jonathan Taylor, gave us special entertainment from Bach, Beethoven, and other classical composers. **MIDDLE RIGHT:** Our first assembly of the year started off great with some Christian rock music. **ACROSS:** The gymnists from Athletes in Action gave spiritual testimonies along with some serious and not so serious gymnastic talent.

Pep Rallies

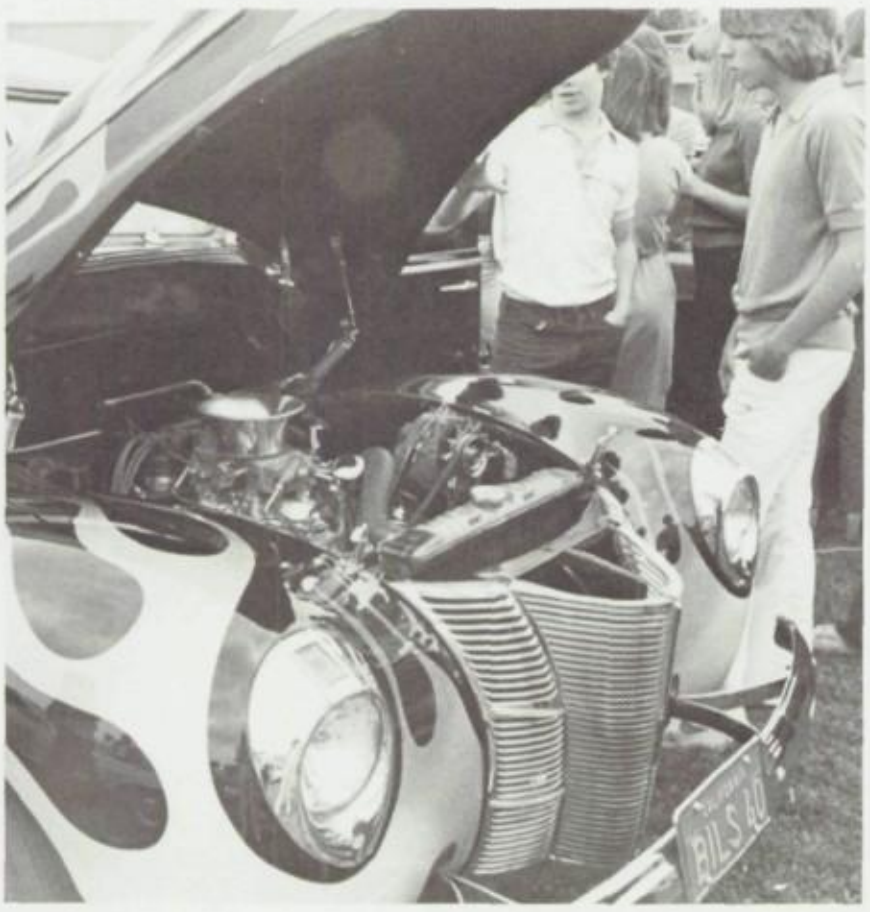
Usually on Fridays, before a big, important game, the whole student body gathers in the gym for a Pep Rally. With all kinds of skits by the Cheerleaders, class competition, teacher competition and the traditional Alma Mater, the Pep Rallies are exciting and full of fun. We especially want to thank the Cheerleaders for all their hard work put into each and every Pep Rally.





TOP: The Drill Team gets set for a Pep Rally performance. **ABOVE:** Will the Freshmen ever win the battle cry? **UPPER LEFT:** This is a Pep Rally? **ACROSS:** The Cheerleaders performing the Alma Mater.

Car Show



Big tough guys revving their engines and pretty smiles from girls in their cars greeted the students as the 1981 Car Show began; Valley's kids finally had a chance to show off their cars. Lunch was extended for an extra twenty minutes so the competitors could line up their cars and one by one be inspected in front of student and faculty judges for details on interior, exterior, engine compartment and paint jobs. It was a great way for the students to see each other's prize possessions and have a great time just messing around. The catagories and first prize winners were as follows: VW Bugs-Brad Algra; Family Cars-Randy Brouwer; Pickups-Ted DeGroot: Special Cars-John Markovitch; and Custom Cars-Dwayne Struiksma.

TOP: Kay Vos showing off her "55" Ford. **ABOVE:** One of the fine engines that got many glances from the students. **UPPER RIGHT:** Taking a Monday afternoon drive. **ACROSS:** Brad Algra's VW, which won first place in its catagory.

Spirit Week

The week of homecoming was an eventful and fun week at school. Everyone was excited and "psyched out" for the big game against Western High at the end of the week. Every day was labeled with a theme and the students dressed for class points according to the theme: Twins Day, Disneyland Character Day, Nifty-Fifty Day, and Maroon and Gold Day, which showed all the Powder Puff girls looking "studdly" in their jerseys. During breaks each day, Student Council members sold candy apples, sweet tarts, and other goodies to touch off the theme of the day. At the end of the week, everyone looked back on it as a fun filled and "spirited" time.

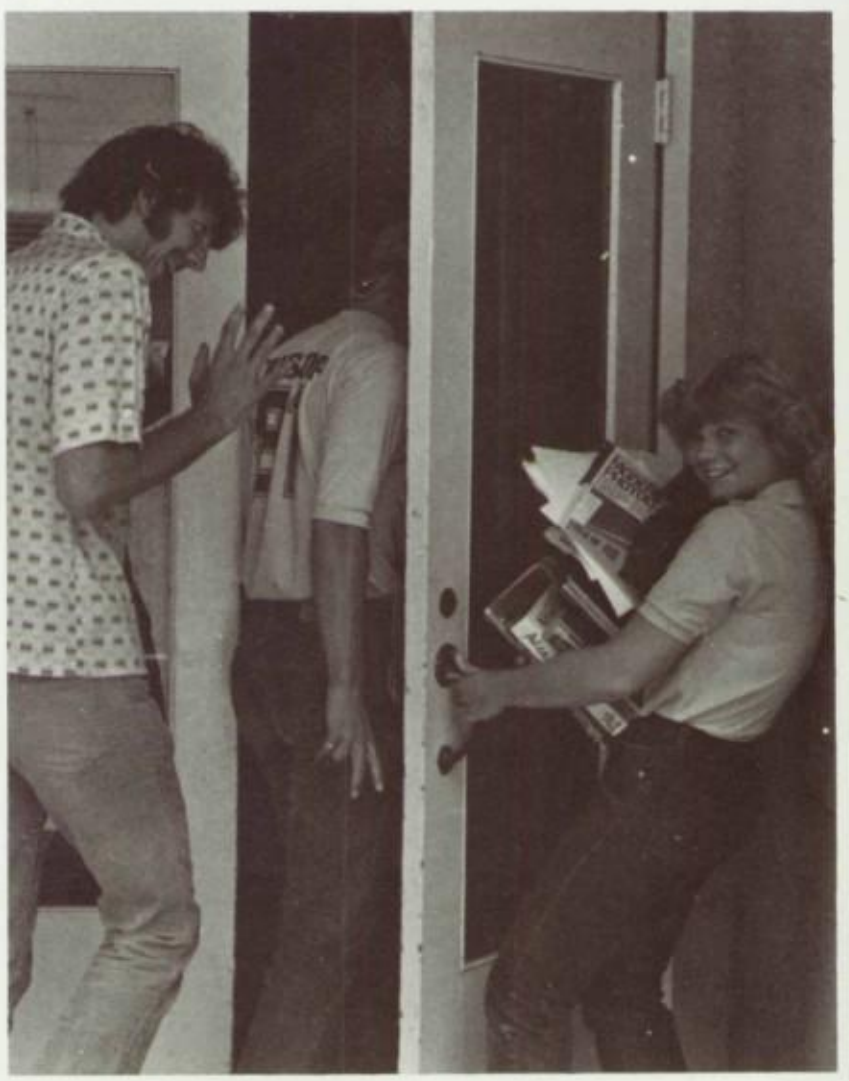
Twirp Week

During Twirp Week the guys had the special privilege of not having to carry their books. All they would have to do was ask a girl to do something for them and she had no option but to obey. Those who did not follow the rules could be sent to the dreaded Kangaroo Court. The punishment could be either getting mush thrown on their face or singing a song in front of the student body.



TOP RIGHT: Harry Daglas finds no escape while Dan Rudolph watches with delight. **MIDDLE LEFT:** Jeff Hale administers the traditional Kangaroo Court punishment. **ABOVE:** Mike Johnson and Phil Templeman twirp Joni Wigboldy into carrying all their books and opening the door for them at the same time. **LEFT:** Robby Snapper bringing Emily Pollock to receive her punishment.

Hearts And Flowers Banquet

Taking part in Twirp Week is the girl's most nervous time of the school year, because of the role change. The girls went around all week asking guys to the banquet which was held at the end of the week. When the big night came the chapel was decorated in red, white, and pink hearts. After a buffet dinner the Mr. and Miss Irresistibles were announced. Ms. Logterman entertained the couples by singing two songs and Susie Gort and Bret Lowen did a skit. At the end of the evening several couples were chosen to play in the Couplets Game. The evening was filled with laughs and the couples really enjoyed themselves.

S.E.A.R.C.H.

As is tradition at Valley, a one week period is set aside every other year for special classes. This year was extra special as Ms. Logterman, along with a few other teachers, put together the S.E.A.R.C.H (Seeking Education and Researching Career Hopes) Program. Through this program, each student was encouraged to explore different careers and try new things that he never has done. Creative and leisure time classes like Beginning Golf, Gourmet Cooking, Statuary, Sailing or Cake Decorating were offered. Ms. Logterman took a group to visit the sights of Spain and Mr. Den Ouden brought some students to relive the history of the U.S.A. in Boston and Washington D.C. Another group went with Mr. Hugen and Mr. G. Sjoerdsma down to "Miracle Ranch," an orphanage in Mexico, to work on improving the area. Mini trips, such as going to the F.B.I. building in Los Angeles or the sheriff stations, were also made. When the week was over, everyone felt it had been a huge success in helping to broaden their horizons.

Chapel

Chapels are very special to everyone here at Valley. Once a week, time is set aside for everyone to worship and praise God. This year we had a variety of chapels. Speakers came from all over to share their belief and experiences with us. We also heard many singing groups including our own choirs. Students, teachers, and members of Student Council took part in a number of chapels. We especially appreciate Mr. Cole for making these chapels possible.

S.A.S.

All the members of the Honor Society and those on the Honor Roll were invited to share in the recognition of the students who have achieved high academic scores throughout the year. This was done at the Annual Scholastic Arts Society Banquet held at Lakewood Baptist Church. Mr. Vanden Burg as the M.C., and Mr. Hugen as the new SAS sponsor, directed the evening's activities. Besides being honored at the banquet, the Honor Society members were also treated to a hot but fun day at Magic Mountain to congratulate them for school work well done. This year's officers were: Lynette Zonnefeld: Pres., Dave Van Dyke: Vice Pres., Brenda Schenk: Sec.

GAA Banquet

The highlight of the year for all the female athletes is the Girl's Athletic Banquet, held at Lakewood Baptist Church. On this night the athletes and teams receive recognition and their long awaited awards. With three league championships, a CIF championship, and all the individual awards, there were many trophies presented and many speeches given. Sabrina Williams received the Outstanding Senior Athlete award and Rhonda Rienstra was announced the Scholastic Athlete. The entertainment of the evening was, "Take Me Out to the Ballgame," sung by Kelli Sybesma and Darlene Kline with three mysterious dancing "men."

Letterman's Banquet

The thirty-second annual Letterman's Banquet of Valley Christian High School was held on June 4 at Lakewood First Baptist Church. After the opening prayer, a delicious dinner was served, which was enjoyed by all. Then came the part of the evening that many were eagerly awaiting: the presentation of awards. Among these were, M.V.P.'s, Outstanding Senior Athlete and Scholastic-Athlete Awards.

Congratulations to all those who received special honors and a note of thanks to everyone who participated in and was associated with athletics at Valley. We wish continued success to all the athletes and look forward to another terrific year.

Varsity Football

This year's Varsity Football team was hard working and dedicated, both in the players and the coaching staff. "Championship Fever" was in the air from the beginning of weightlifting in the spring through the entire season. Each Monday meant a new scouting report put together by a group of hard working coaches who spent their entire weekend together working on it. Every Friday saw a more mature team coming on the field. Each week the team improved and worked harder together. The hard work paid off and the championship belonged to Valley with a 5-1 legue record. The first round of C.I.F., Valley faced Pater Noster and came away with a win of 35-0. In the second round the team took the long drive to the cold of Mammoth; unfortunately they lost 8-19. Each player ended the season with special memories. Yes, playing football at Valley is a privilege and an experience which lasts a life time.

Rebounds, shots, a pass to the wing and a good block was the strategies that the Crusaders used on their opponents. This year's first string team was made up of the Senior class members, Dave Bush and Robert Voldase, and the Sophomore class members Dan Koolmees, Robert Van Duyn and Dennis Vogel. All this led to a great season with a 7-0-5 record making the Crusaders feel all the hard work was put forth for one end.

A league championship isn't easy to get, as the varsity soccer team well knows. But with their dedication and spirit, any kind of championship comes naturally. The team was comprised of a very versatile offense, fast defense, and two excellent goalies. Coach Wind had faith in this team right from the beginning, although there were times he doubted. They ended the season with fifteen wins, two ties, and only four losses. They made it into league as the number one rated team in our division.

Varsity Baseball

At the beginning of the season, things did not look good for the varsity baseball team. With only six returning players the team did not have very much experience, but as the season progressed so also did the team. At the end of the season their league record was ten wins and four losses, which had them tied for second place. By a deciding action the Crusaders went into CIF as the third place team for the Olympic league. In the first round they played St. Anthony's and won six to one. By winning this, the team went on to round two in which they played Rio Mesa. After playing a very close game the Crusaders lost one to zero. The team certainly had a great year.

Varsity Guy's Track

Track is the kind of sport that is easily forgotten. Who wants to see someone run around and around the track? Well, this year it seemed as though more people remembered and came out to watch these men. And the Crusaders put on a fine show with some exciting and close races. They even had some meets that came down to the very last race and still coming ahead and winning it. With a new coach this year, Mr. Veltkamp, and assistants, Mr. Bosma and Mr. Van Den Berg, the Crusaders came in second place in the league. They had an excellent season and we're proud of them.

Tennis Team

There is a new sport on the scene at Valley this year. Since the new tennis courts were put up, a few of the students thought that they should be put to use. These students started Valley Christian's first Crusader tennis team. Under the guidance of Rev. Lamen the new team set off with great enthusiasm.

Although some of the players had never played before, the whole season was a learning experience and everyone improved greatly. The team did not place at any of their matches but that did not discourage them from looking forward to making the tennis team a success.

Cross Country

Cross Country is a sport that takes every ounce of energy that a person has. You have to give it your all for the whole race. This year, we had Coach Gregg Sjoerdsma for both the girls and the guys. The girls team ended up the league with a record of three wins and four loses. The guys team ended up with four wins and three loses. All in all, for both teams, it was a great season.

With a pre-season record of 1 win and 4 losses, the girls seemed to be off to a bad start. But when league came rolling in, the girls won game after game. At the end of league, their record stood at 13 wins and 1 loss, putting them ahead of the other teams and into first place in the league. In the first round of CIF, Valley faced La Puente and had no trouble taking home a win. In the second round, however, Valley faced Rosemead and suffered a tremendous loss, putting them out of CIF. But over all the girl's Varsity Volleyball team had a great season.

Girls' Varsity Basketball

Being rated number one gave the Valley girls on the varsity basketball team an extra boost of pride. The pre-season began with the Crusaders winning their own tournament. Coming out of preseason with 7 wins and only 2 losses, the Valley girls proved to everyone what a great season that they were looking forward to. League began with high hopes and the Crusaders wiped everyone off the court, ending up undeafeated. Starting the CIF playoffs, the women looked and felt very strong. Taking the first game with no problem at all, the Crusaders advanced to the second round. Loosing to St. Mary's 58-57 came as sort of a shock to everyone, including the team. Now that the season is over, the Crusaders can look back to an excellent and outstanding season.

This year's track team consisting of twenty-two girls, was the biggest in Valley's history. The team started winning right from the first meet and continued to win all through the season; new records were set in almost every event. Their league record was 7-0 which once again made the team undefeated League Champions. After league was finished the team competed in the league pre-lims and finals. Several girls made it into CIF, including the two relay teams. With a total of fifty points the track team won the CIF 1A Championship. From here Sabrina Williams continued on in several other meets. She ended up taking 6th in the long jump at the Calif. State Meet. Congratulations are in order for Sabrina, Coach Schutten and the entire girls track team for an excellent season.

Varsity Softball

Under the coaching of Mrs. Dykstra the softball team went into the season with a very hopeful chance of making CIF. But these hopes soon became a fighting chance for third place when Terri Dantuma, the pitcher, slid into second at a practice and broke her foot. This meant as far as positions, there would have to be some changes. Terri came back after four games and started pitching with a cast. Although they did have a record of 6-7-1 Valley was only out of CIF by a disappointing one half of a game. The girls did a fine job and deserve credit for having to start over in the middle of the season.

High School Office

In building A is the headquarters of VCHS. Manning the station is our fearless leader Mr. Bruce Keuning, and by his side is our ever faithful secretary, Mrs. Adriana Brink. They efficiently run the school office and from it comes the important decisions on which our school is run. Many thanks to them for a job well done.

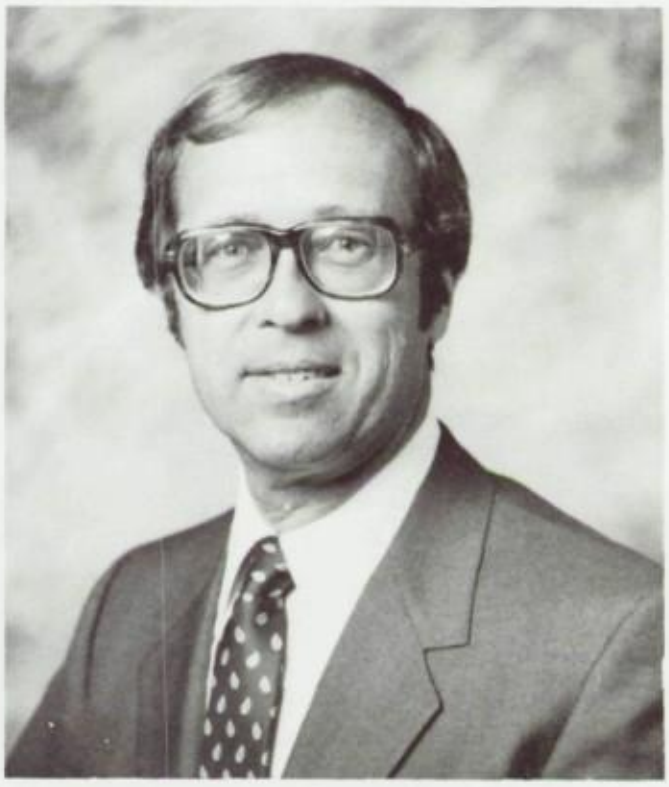
Business Office

The business office of Valley is expertly controlled and maintained by three very capable people. These people are: Superintendent Dr. Bootsma, Mrs. Lougee, and Mrs. Fe Febre. Along with handling the tuition and financial aspects for the school, they are also very willing to listen to any problems which you may have. They have done a lot to help the school run smoothly. We know that without them, Valley would not be what it is now. We wish to express our appreciation to them for all their work.



ABOVE RIGHT & LEFT: Dr. Bootsma does an excellent job as administrator of the Bellflower Christian Schools. **LOWER LEFT:** Behind our great administrator there are two efficient secretaries, Mrs. Le Febre and Mr. Lougee.

Board

An organization like the Bellflower Christian Schools cannot be run without the careful decisions and co-operation of the twelve dedicated Christian men of our school board. All the final yes's and no's are up to them as they realise the importance of deciding what is best, even if it may not seem pleasant at the moment. We would like to thank these men for the dedication that they have in making our school run smoothly.

Bus Drivers

Once upon a time, there were eight ladies who wanted an exciting job. I took them away from their daily routines and gave them a new and exciting career. Every day these ladies get up at the crack of dawn to make their appointed rounds. They each are entrusted with their buses to pick up and bring home the students of the Bellflower Christian Schools. These ladies keep the kids under safe control, and can always be relied upon. These are my angels, and they work for me. My name is Charlie.

Janitors

Being janitors, has to be one of Valley Christian's most dedicated jobs. The Mulders can be seen here everyday doing the never ending task of cleaning the campus. Even their children lend a helping hand. We appreciate all the times they are here after a game to open the gate, and to clean-up after our special events. Their efforts are recognized by all who step foot on our clean campus. Thanks to the Mulders! Valley has never been cleaner.

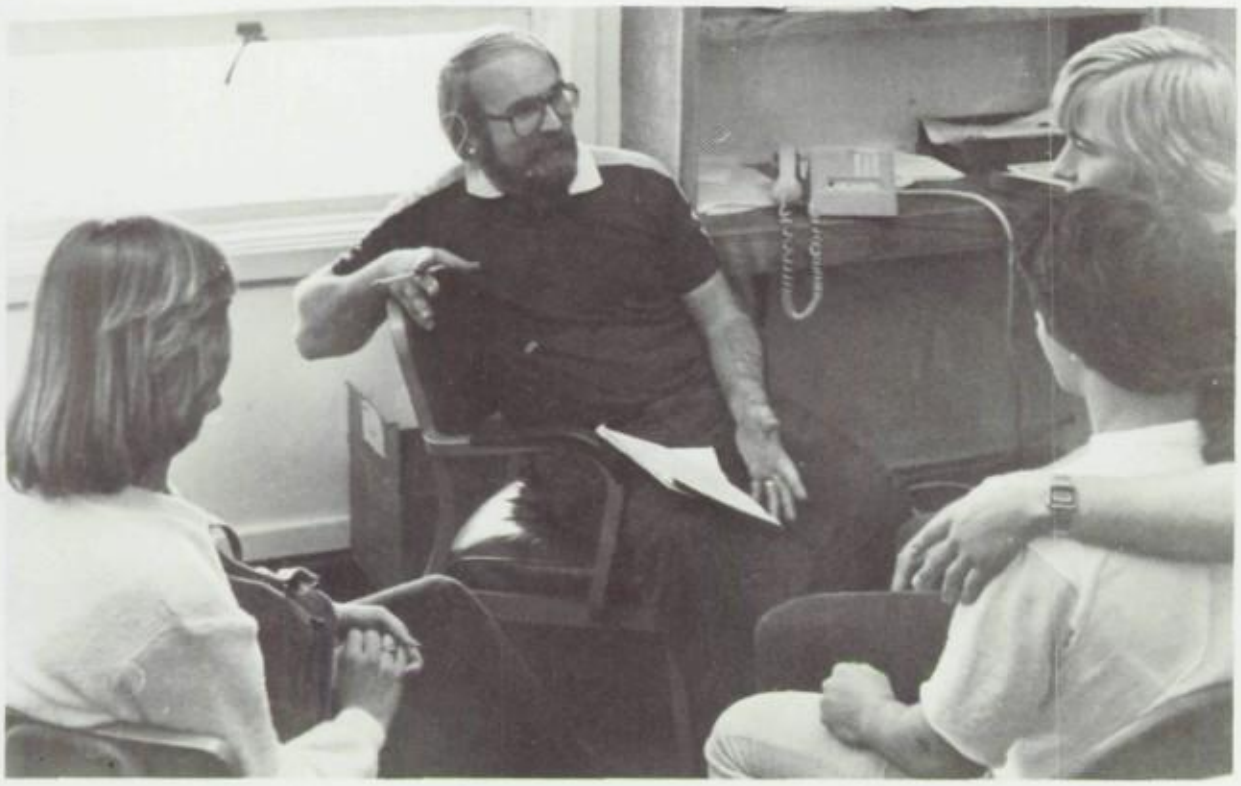
ACADEMICS

Bible

Bible can be a complicated subject but with the help our Bible pros- Rev. Boertje, Rev. Knowles and Mr. Van Woudenberg it can be easily understood and applied in everyday life. All of Valley's classes center around Bible, each class emphazing the importance the Bible has in a Christian's life. Besides learning definitions and memorizing verses, Bible also teaches us the history of the church. Classes range from Intro to Bible to Reformed Doctrine. Bible at Valley helps us to grow closer to our Creator, and closer to others.

TOP: "I never knew Bible could be this exciting." ABOVE: "Read! Read! and Reread!" RIGHT: Rev. Boertje instructs his class in the knowledge of the Bible.

Counseling



One of the most helpful, and yet hardly recognized areas of Valley Christian High School, is the Counseling Office. Together Mr. Van Woudenburg and Mrs. Wilkie undergo the huge task of making sure all the students of Valley are satisfied. They help students with their problems, set classes, help make those important decisions about the future, and much, much more. From the students of Valley to you, "Thank-You" for a job very well done.

English

The English Department has a wide variety to choose from. It helps people to communicate better among each other. The Freshmen and Sophomores are required to take English, which gears its learning to grammar and spelling. The Juniors and Seniors may choose from a variety of English classes, such as American and English Literature, Creative Writing, Mass Media and other writing classes. The English teachers include Mr. Cole, Miss Talsma, Mr. Ron Sjoerdsma, Mr. Gregg Sjoerdsma, and Mrs. Wilkie. Each with his or her own teaching abilities helps the students better their views on life through English.

History

To many, History is a favorite class. It gives us the opportunity to have fun while learning. The classes range from the birth of History to current events. Discussion and heavy writing are big part of the class period. All in all, the History classes, under the direction of Mr. Den Ouden, Mr. De Bie, Mr. Bosma, and the newest addition to the staff, Mr. Van Den Berg do an outstanding job teaching the basic principles of what we were, what we are, and what we'll become.

Business

For a student that's interested in a business career, Valley has a wide variety of classes to choose from—Typing, Accounting, Filing, Bookkeeping, Office Machines, Shorthand, and Financial Survival. If a student is in a Commercial Emphasis class, they are required to take most of these business courses. Having these business courses gives the student ideas for a future career and a glimpse of the business world. Working together, Mr. Wassenaar and Mrs. Faber do a great job in teaching the business classes.

Learning a foreign language has always been a scary thought for most people. But if it is taught in an interesting way, it can also be a fun class to take. Besides learning those never ending vocabulary lists and grammar keys, there are also the many crafts, films and celebrations of foreign holidays. There is one German class offered this year for second year students taught by Rev. Knowles, but this is the last year at Valley for this language. Spanish is the main foreign language taught and is instructed by Miss Logterman who adds a special touch by sharing her experiences in Spain.

Math

Not a day goes by without some use of Math problem. The Math Department ranges from Algebra, Geometry and Advanced Math. If you ever have a problem Mr. Le Frebre, Mr. Hugen and Miss Schutten are more than willing to help you to a chance to really rack your brain. It may be confusing at first but it becomes very important in life as you grow older. Many people say it is one of the hardest subjects they come across.

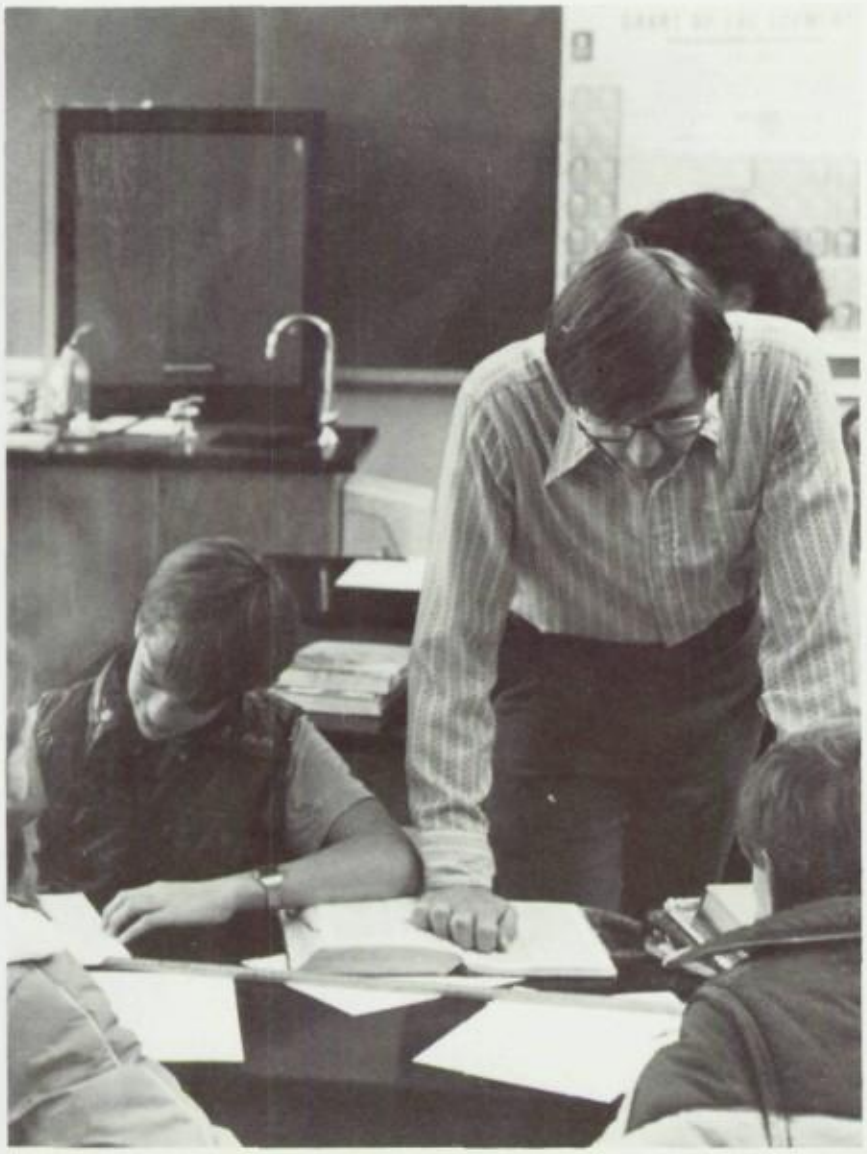
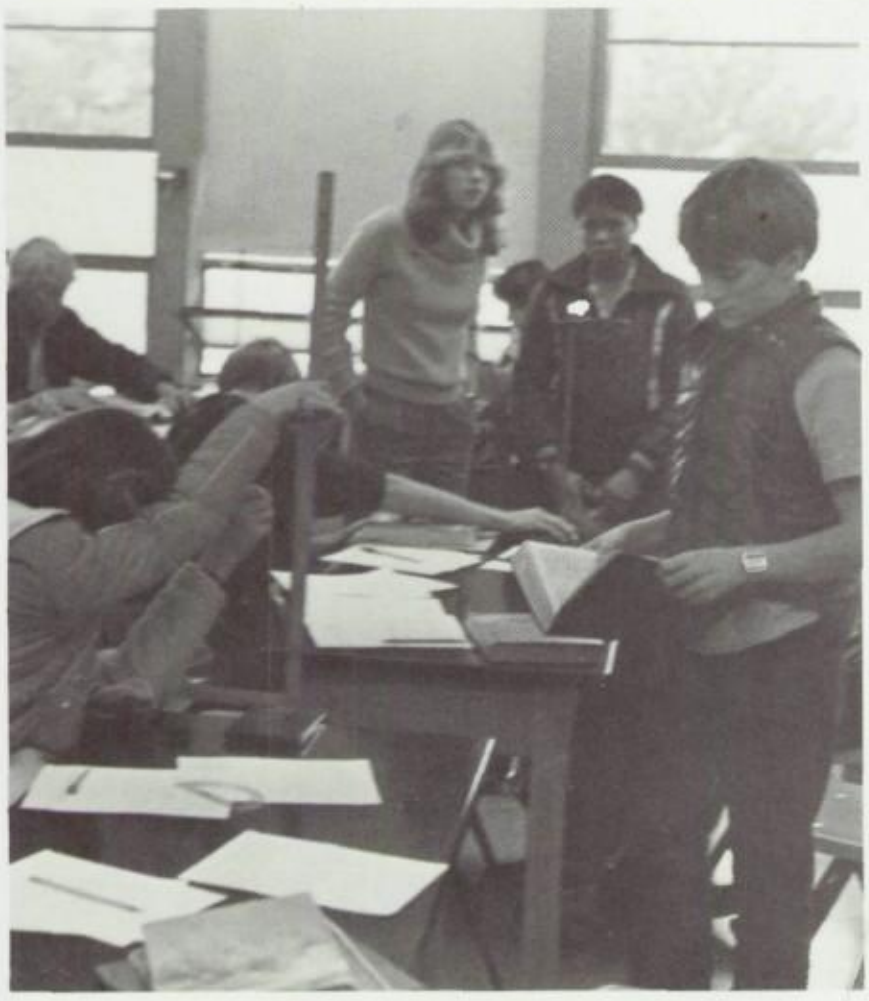
Science





One of the most interesting and intriguing departments of the Valley curriculum is the Science Department. It offers many different classes, ranging from Earth, Health and Physical Science, to Biology through Chemistry, and on up to Physics. Through these classes, the students together with their teachers, take time to study our vast a beautiful world. They learn what things are, why things are, and how things are to be. All in all, our science department deserves a big hand.

Industrial Arts

Under the guidance of Mr. Veltkamp and Mr. Bosma, Valley's shop class gets under way. Building various projects, each student is allowed to build whatever he or she desires according to his or her capabilities. The projects vary from small boxes to large cabinets used as furniture in the home. Also, the equipment available is modern and in good condition which makes for better building. Besides the modern equipment, new tables were purchased. As a whole, the students advance a great deal in this trade and their knowledge for carpentry expands!

Room I is known by all as the "Home Ec" room. The secrets to making a home and taking care of the family all lie in this room. Taught by Mrs. Brouwer, these classes tell everything from cooking a simple meal for two to sewing an entire outfit by yourself. Also in this department are classes teaching child care, family living and other practical needs that students encounter once they graduate. The goal of the Home Economic classes is to teach what is not normally thought of as "educational" but is still very important.

P.E.

P.E. is that certain sort of class that almost everyone enjoys. After the summer is over and the school year begins, some sort of activity is needed to relieve the pressure of studying so many hours each day. Every day the P.E. class is started with the basic calisthenics and exercises. Then the rest of the class is spent playing a good game of tennis on the new courts or playing volleyball, basketball, softball, soccer, football or any other game. Square dancing and bowling are also included to add a little variety. With teachers like Mr. Wunderly and Miss Schutten this class can be easily enjoyed.

Art

Art classes are well into its second year here at Valley Christian. Drawing pictures is only a small part of what goes on in the art classes. To really appreciate what they are doing, and to do it well, takes a lot of patience and learning on the part of the students who take these classes. They must learn how colors coordinate, how colors should be shaded, depth and many other details. Ceramics is a class by itself where the students learn to create their own ideas. Painting is also included under the art department. These classes are all held under the instruction of Mrs. Hamidy, who is teaching for her first year here at Valley.

UPPER LEFT: Students working hard at art. LEFT: Greg Hendrickson works on art project. ABOVE: Randy Reitsma working on his latest master-piece.

Library

Whenever there is a report or a long term paper due, many students turn to the library for their research material. There are many books to choose from. But besides books, there are film strips of almost every subject imaginable. Although the students use the library every day, there are others who use it, the teachers. They use the books for research and show filmstrips during their classes for a more interesting way to help get the point of the lesson across. Every year the library continually grows. Mrs. Wassenaar is the librarian, with Mrs. Reppman as her assistant. They work together to stress the importance and correct usage of the Media Center and its contents.

A new touch was added to the A Cappella choir in this 80-81 school year as they were under the new direction of Mr. Pieter Goedhart. They sang many of the songs from previous years but each song still held a special meaning for those who performed them. The A Cappella Choir did a variety of concerts ranging from the annual Fall, Spring and Christmas concerts to singing in neighboring churches and also the Azusa Pacific Festival. All their concerts were successful and presented much spirit for our school. Singing praises to God also brought the group closer together spiritually as they learned to realize the gifts music can bring. Everyone will remember "Shepherd Me, Lord" as being the most memorable and favorite song of the year.

Madrigals

Dressed in black and white, the Madrigals perform in various churches and festivals. Their concerts were a huge success under a new director, Mr. Goedhart. During the Christmas season they caroled in the malls and sang at the Dorothy Chandlier Pavillion. These sixteen men and women make up the Valley Madrigals, which is the pride of the music department.

Men's Chorus

At Valley Christian High School, there is a large music program. In Men's Chorus, the basic fundamentals of music are taught by our new music teacher, Mr. Goedhart. The goal of this class is to learn to appreciate music and to prepare some of the students for A'cappella and perhaps Madrigals. Their songs range from short ones like "Wait for the Wagon" to "Song in the Daytime," "I Sing the Mighty Power of God" and "The Tree Song." Although they do not perform very often, the group has improved throughout the year.

Women's Chorus

Women's Chorus is an important part of Valley's music program. In this class, the students learn the basics of singing, music reading and blending their voices together. The chorus's many hours of practice have paid off in successful performances, such as the Fall Concert, Spring Concert, a music festival and also in chapel. Under the guidance of a new leader, Mr. Goedhart, the group has completed another fun and worth while year.

The 1980-1981 Crusader Band had a very exciting year. It all started with a third place in the Artesia Parade, and a place in the Bellflower Parade. Their football half-time shows were very unique and really showed the school spirit. Their concerts were once again a success, and the music played was an inspiration to all who were there. The year was drawn to a close with an exciting performance at Dodger Stadium, a fun-filled Pops concert, and the annual Spring Concert.

UPPER LEFT: Band, Drill Team, and I.D. and Flag performing during half time. **ABOVE:** Band members getting ready for the parade. **MIDDLE RIGHT:** Mr. Doornbos directing the band during the Winter Band Concert. **ACROSS:** Trumpets give solid brass sound.

Stage Band and Pep Band

This year's pep and stage bands have kept very busy. Since they are relatively new groups, they are quite often in popular demand. The pep band was kept busy with the many pep-rallies, football and basketball games. The stage band had a big variety of engagements this year. They not only played at the concerts, but also entertained at various other programs. Everything considered, it was a good year, and we will be looking forward to hearing from them next year.

ABOVE RIGHT: Faithful band members entertain the students at one of the many pep rallies. **LOWER RIGHT:** Under the direction of Mr. Doornbos, the pep band plays one of their favorite tunes, "Popeye." **LOWER LEFT:** Marty Doornbos adds a little excitement to a basketball half time.

If you can be at school at 7:15 in the morning, be at church at 5:00, and remember dress, gloves, and music, you are a perfect candidate for Valley's handbell choir. The choir is made up of twelve dedicated girls who have chosen to use their time and talents to perform for church services, and various other programs. Under the direction of Mr. Doornbos, the handbell choir was once again a huge success.

ORGANIZATIONS

Student Council

"Promoting Spiritual Growth" was the goal of the 1980-81 Student Council. They did this in a variety of ways. They started a Monday night Bible study, had many Student Council chapels, and had a Spiritual Emphasis week. Besides all this, they provided the school with mixers, movies, homecoming, spirit week, car rally, and acar show. Thanks to the student council the everyday school schedule was made a little less monotonous.

Annual Staff

Annual is a bunch of dedicated students having one ultimate goal—to get the yearbook completed. There are many headaches and problems with taking pictures, writing and rewriting copy, layouts, getting ads, meeting deadlines and making sure everything is perfect. With Mr. Ron Sjoerdsma as the advisor the annual tries to capture the best moments of the year for everyone to remember in years to come. But when they look at the finished product after all the hard work and the many times they were about to give up are over, they know it was well worth it in the end.

The gazette is in charge of getting the articles students will be interested in reading. It comes out biweekly and with the help of the editor, Michael Allen, the Gazette is creative and keeps the student body informed of things to come along with events that have already taken place. Besides editorials, it has sports, puzzles, hearing from classmates on what they did over vacation and interviews with students. Mrs. Brouwer is the advisor and puts her work and say so into the Gazette as well. But along with the fun there is also the rush to get the articles in for the next issue. Every year the Gazette improves with age.

Computer Math Club

Also known as the Computer Club, the Math Club has once more played its part on Valley's campus. Mostly known for the fritters and doughnuts they sell through the kitchen window at break, they are an active club. Under the supervision of Mr. Le Febre, they meet regularly in the computer room, learning how to use and program computers and other things using math. With its few, but dedicated members, the Computer Club works to improve and update the equipment and just have a good time together.

"Checkmate!" the traditional announcement of victory in chess, can be heard almost any noon in Rev. Knowles room, who is the club's sponsor. Each year a champion is named as a result of tournaments that have been played throughout the year. This is the first year Valley has played in any tournaments outside the school system. The Chess Club now belongs to the Southern Chess League. The league consists of five near by public schools and Valley. During the Christmas vacation Valley took part in an area tournament directed by the Los Angeles Times. Through it all chess is a good way to exercise the mind while having fun.

Drill Team

Flashy smiles, heads held high, and marching with confidence are all qualities of a good drill team. The 1980-1981 Valley Drill Team fits that description perfectly. They show their school spirit and school pride while marching behind the band in parades, and by performing with them at half-time shows. Their hard efforts were well rewarded when they placed first in the Artesia Parade. Under the leadership of co-captains, Laura Mouw and Kay Vos, the Crusader Drill Team has worked hard and pulled together to put forth the true spirit of VCHS.

Flag Girls

The 1980-1981 Flag Squad again followed in the tradition of spirit and quality, set forth in previous years. Their hard work and determination were rewarded with a fourth place at camp, and a third place at the Artesia Parade. Though any one of them will tell you it was a lot of work, and very time consuming, the new friendships started, and the old ones reaffirmed made it all worth while. A highlight of the year, was performing at Dodger Stadium, which ended the season with a bang. Flag was a very special experience that will always be cherished in the hearts of those who were involved.

After school practicing, preparing for pep rallies, planning treats and parties for the players, making signs, going to camp, and just plain hard work is all common in the life of Valley's varsity cheerleaders. From the tension and worry of tryouts to the giggling late nights at camp, to the running around trying to organize this, that, and everything, cheerleading is a great way to have fun and get in shape at the same time. The Varsity cheerleaders have tried very hard this year to promote school spirit, and they deserve a big hand. Cheerleading may sound difficult, but none of them would have missed it for anything.

J.V. Cheerleaders

Although they are only underclassmen, the six girls who make up the J.V. cheerleading squad have enough spirit and happiness to match anyone. Besides cheering the J.V. teams on to victory, they lend their smiles and enthusiasm into getting the crowd prepared for the varsity game. Their special quality for brightening everything up is one to be greatly admired. A big thank you to all the J.V. cheerleaders for a job well done.

TOP RIGHT: "We've got spirit, how about you?" **LEFT:** Our team is on top!

I.D.

To smile and show spirit in competition when you are the leaders is no easy task, considering the signs are heavier than they look. But these six girls, who make up the Identification Unit, step off to lead the Crusader Band at every parade. Besides looking good, and making a lasting impression of what Valley is, these girls have a big job. They have to keep the band and flag, and drill team in a straight line with precise spacing between each person. Along with parades, I.D. performs with the drill team at half-time shows.

Mother's Club

The Mother's Club is a group of ladies who have children attending the Bellflower Schools, and who are willing to give their time and effort to make it a better place. Led under their president, Mrs. Eloise Bos, the Mother's Club puts together such projects as the Harvest Festival, a Christmas Boutique and other fund raisers to support our schools. The money they raise helps to pay for needed appliances in the Home-Ec room, helping the Seniors to pay for their "Grad-night" and many other things. We would like to thank these ladies for their efforts and support.

Booster's Club

Many of the fathers at Valley are concerned about the support of our school. They set up fund raisers to support the Athletic Department at Valley. Among these is the famous "Turkey and Ham" sales during the holiday season. The fathers also take turns working in the canteen during the Friday night football games. As all the football fans could see, a great improvement was made as the stands were refurnished. A new canteen and restroom facilities were put in, thanks to the Boosters. This club also puts on and supports the annual Letterman's Banquet in honor of the Boy's Athletic Department. We students at Valley would like to give a great big "Thank You", to the entire Booster's Club, for giving the Athletic Department so much support.

Eighth Grade Graduation

RIGHT: The 7th and 8th grade choir performs two pieces during graduation.
BELOW: The 8th graders become more nervous as it's their turn to graduate.
CENTER: Lisa Vos and Matt Mallars try to stay in step for the processional.

On June 10, something special happened at New Life Community Church. Friends and relatives looked on as the eighth grade graduated into the world of high school. The speaker for the exercises was Dr. Bootsma. After a few songs by the graduates, the eagerly awaited moment arrived. The diplomas were handed out, and the class of 1985 was presented. The evening proved to be memorable for all.

Kindergarden Graduation

The cameras flashed; the speakers delivered eloquent speeches; the students performed; and the school board presented diplomas. Everything was as a graduation should be except for the fact that the graduates were four feet tall and five and six years old. Again in 1981, Mrs. Vanderburg, with the assistance of Mrs. Wybenga, led her kindergardeners through a precise program - this year's theme was "It's a Small World." The high school chapel was packed with devoted relatives who watched 59 children complete the first step on the long education road.

Dearest Alvin,
I think you are a super great person and I think its neat how you show your faith by being so nice and considerate of others. Thanks for all the help you gave me last year. Hope you have a fantastic junior year and all your wishes come true. Please come try youth group it seems like its going to get better. See ya later.
Love ya lots,
Margie

Alvin,
Hi! I'm really glad I got to know you this year and last year too! Via Study Hall with radical Randy Bultsma. Now we have radical Algebra, how fun! But you make it much more exciting! I hope you stay as sweet and friendly as you already are! Don't forget to do all your mathd homework so Mrs. Tiemans won't get on your back! Right? Well, have a great year and do a good job in football even though you hurt your knee. There's always next year, right? Stay sweet.
Love ya lots,
Marska

QUALITY YOU CAN SEE

A FRIEND

A friend is one who helps you
through the trials of the day;
He seeks to be your help and strength
in each and every way.

A friend is one who listens
to the problems on your mind;
He will listen to your questions,
the answers help you find.

A friend stays near when needed,
he is always by your side;
When in times you're feeling lonely,
His arms wait opened wide.

A friend will never leave you,
your true friend he'll always stay;
He pulls the weeds and kicks the stones
which lie upon the way.

We all need that special friend
on whose love we can depend,
So when you feel you have not one
Ask God, He'll be a friend.

Alvin,
I can't believe I actually found room to write. You must be some popular guy? Well Im super glad that I got to know you last year. You always make me feel happy when you walk around smilin' and giving out compliments. I know this years gonna go by fast again + soon will be graduating! me? And I hope these last years we can become better of friends. You're such a great guy and so thoughtful (I love that necklace charm I got for my B-day) Good luck in all you do and make sure and stay close to Jesus. Love lots

"83" Alvin

Dear Alvin,
to my junior buddy!
thanks for always being so nice + friendly to me. (even tho I'm not a freshmen) you made it easier for me to start main school! + not feel soo dumb. Have a great year + never change your super personality K? Keep smilin'! (& love your smile!!) Love ya lots,
Cheryl

Dear Alvin,
Thanks so much for being the neat person and frund that you are! I can't remember ever seeing you without a smile on your face☺ You have a really good attitude about everything ~ thats a neat quality and I really admire it on you☺
I hope all good things come your way. You're a real doll and your friendship means alot to me.
Love always,
Nikki VanDeSteeg

Alvin, Alvy Walvy!
I sure am glad that were friends! Your Such a Sweety. if I didn't know you school wouldn't be as exciting. I hope this doesn't turn out messy. My lines might go like a SNAKe after a while So don't be Suprised, I can't write too well without lines. isn't School great?! I think SO. next year your going to be a 'big' Senior. Whew! watch out! well I'll then be a 'big' Sophmore! exciting huh? I vreally hope the vrest of your ~~year~~ oops! junior year is great. I'm sure it will be. oh, & keep Excercising that leg of yours So you can be A 'big' football player again, OK'?
I hope you know that its An honor & a privilege for me to write in your Annual! but I guess its like wise that your writing in My Annual let me think of Something to write man, I can never think of nothing to write in Annuals but So far it's been pretty easy writing in yours. Hey! I almost got this whole Page full! Pretty good huh?! Maybe I Should Stop now. It's already 10:05 P.M. So I'll let you go NOW. Vremember '85' vrules even though your 83'! Stay the way you are!!!

Sorry Soooooo Sloppy!

(Maybe I Should have wrote my name Straight instead of on a Slant!) oh, well!

Love always,

Hey Alvin
I hope you have a great year at Valley. whether it's in sports, chasse or just yourself I'll always be here to stay. Thank you for the wonderful memories. Remember Racketball, you're toothpaste fight, I'm glad you're my brother. I'll miss you about Driving well the best for you always. And Bless you. friends always, your forever Junior Senior
Alvin
Moreas

You around school. I'll miss you. Have a great summer. Good Moooo

Alvin,

hey guy, howsit going! (my pen don't write too good! Sorry!) Hey, been to knotts lately? I did for halloween! It was pretty fun! How has your year been going so far? Mines been pretty good I suppose! To bad our lockers ain't by each others anymore! That was so crazy in 6th!! Hey well, have a super terrific & outragous year! & thanx for being such a great friend!

Love ya!

Brenda

Alvin, nowadays

so how have you been? Good I hope. Sure glad you have gotten over being abused your last yr. Have fun Great to play Bourbon & yes I need hugs yours are always so you like school, don't you? Guess who's pretty good at it yours truly! Guess who wants her report card? Bring a real nice one! I'm sure you'll get that with your friends this year & your the best at everything you do & I'm so proud of you! Good luck in everything & I can't find anywhere else to write! Oops! I just lost my blue pen somewhere down the side of bed! Guess what I found my blue pen! Thanks for being such a sweetheart. "Q" Love, Brenda B.
